

# THE ISSUE: Pennsylvania's COVID-19 emergency waivers and flexibilities are set to expire on September 30

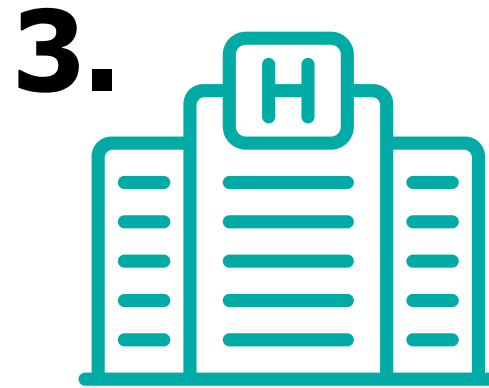

These emergency provisions benefit all Pennsylvanians by:

Expanding telehealth services

Improving vaccine access at pharmacies

Ensuring hospitals can adapt during emergencies

Removing licensing barriers to support hospital staffing

## What's at Stake

Failure to preserve COVID-19 waivers and flexibilities has consequences for all Pennsylvanians

Workforce shortages in primary and specialty care

Less access to vaccines in Pennsylvania

Loss of telehealth for therapy and counseling

## What You Can Do

Contact your local legislator

Post your support on social media

Take action by September 30
